

Sun Smart Marquees

“ Tested for Sunsafe
and Cancer Council
Standards ”

ARPANSA Certified

OUR MARQUEES ARE DESIGNED TO PROTECT PEOPLE FROM THE SUN AND OUR SHADE FABRICS OFFER THE HIGHEST LEVEL AND MOST EFFECTIVE PROTECTION OF ANY SHADE FABRIC.

We have had our marquee fabrics tested by the Australian Radiation Protection and Nuclear Safety Agency (ARPANSA) to AS4174 standards, to ensure we exceed the high standards set by Australia's SunSmart and the Cancer Council.
